### ANNOUNCEMENT REGARDING THE FELLOWSHIP HALL:

In a joint officer meeting on Nov. 9, the Elders and Deacons decided to contract with SureRestore to renovate much of the “new building” including the church fellowship hall, kitchen, foyer, and bathroom. Given the condition of the stock market that has benefited the church’s longterm reserves as well as the sustained increase in giving over 2016-2017, the officers decided the time was right to invest resources in the church physical plant.

This renovation will be the first major overhaul of the fellowship hall since the 1990s. While this will not be a complete renovation, it will focus on the walls and ceilings to repair the water damage as well as install new lighting in the fellowship hall itself. The cost of this renovation is approximately \$11,000. Work is expected to begin in the first part of 2018.
